## Clean Air Candle

Available etched or plain.  
See pricing to the right.

This patented one-of-a-kind candle is guaranteed to eliminate any odor. Its unique formula attacks the odor molecules in the air & physically breaks down and destroys them in as little as 30 minutes.

**Laboratory tested.**

Completely eliminating even the toughest of odors.

## Why buy soy?

Supports U.S. Economy. Leaves little or no soot stains on the candle container as long as the wick is kept trimmed.  
Burns much cleaner. Cleans up easily with soap and water.
